

You must be a member of both WJEA and JEA to qualify for a FREE plaque

## Honor your top senior with a WJEA plaque

One of the many benefits of dual WJEA/JEA membership is the opportunity to order a beautiful plaque, engraved with the name of your top graduating senior.

Orders are limited to one free plaque per member, regardless of the number of media advised.

The first 50 members ordering plaques receive one free plaque, if ordering by Saturday, May 2, 2015.

Mounted on a 6 X 8 inch wooden backing, the metal plate is engraved with the WJEA logo,

and honors your chosen student for their dedication and hard work.

Advisers who wish to order additional plaques may do so, but must pay \$35 for each added plaque. This includes the cost of postage. Checks payable to WJEA must be enclosed with order form and mailed by the April 30 deadline.

Plaques ordered by the deadline are mailed before the end of May in time for most end-of-the-year award ceremonies.
