

Journalism Day 2020

goes **VIRTUAL!** Thursday, Sept. 17: 9am-3:30pm

A day for student journalists at the launch of this school year

J-Day will go virtual in 2020, but will still offer something for student journalists in all media. The day will feature five 50-minute sessions presented by journalism professionals plus a lunchtime roundtable.

If your school will allow for a "Virtual Field Trip" your students can attend all six sessions for just \$6. The price will be \$6 regardless of the number of sessions attended. Some may only be able to fit in one or two sessions, but they are sure to come away with fresh and useful information that will give them a jump start on the school year ahead.

J-Day will open with a message from Congresswoman Pramila Jayapal, who had been our scheduled keynoter for the WJEA State Conference in March. Unfortunately, Covid-19 forced the cancellation of that event.

Elected in 2016, Congresswoman Jayapal is now serving her second term in Congress representing Washington's 7th District, which encompasses most of Seattle and its surrounding area. She is the first South Asian American woman elected to the U.S. House of Representatives and she is one of only 14 naturalized citizens currently serving in the United States Congress.
